

WORLD OF RADIO #1125, produced April 3, 2002 by Glenn Hauser

- *Time for WOR to be heard one UT hour earlier for the next 7 months thanks to daylight shifting, especially WBCQ and WWCR:
- *On WBCQ: Wed 2330 and UT Thu 0500 on 7415
- *On WWCR: Thu 2030 15685, Sat 0500 5070, Sun 0230 5070, 0630 3210, Mon 0000, 0500 3210, Wed 0930 9475
- *RFPI times stay at the same UT all year
- *Our US AM and FM station times shift one UT hour earlier; as well as Studio X, Italy. R. LavaLamp, Japan does not shift
- *WRN1 to North America now has WOR Sundays instead of Saturdays at 9 am Central, 1400 UT; all other areas have WOR Saturdays 0800 and that now includes South America, with new satellite beam for there, Telstar 12, 15 degrees west, transponder 35
- *The second 2002 edition of our other program Continent of Media has been available more than a week via <http://www.DXing.com>
- *A-02 HFCC SW schedule now available, huge zipped file in frequency order <http://www.hfcc.org/data/index.html> -- helpful with unIDs
- *NAB Convention in Las Vegas NV will have digital SW DRM demos from two stations, RN Bonaire and WEWN, April 5-12
- *World Beacon, Affiliated Media Group, <http://www.worldbeacon.net> has closed SW broadcasts, not enough interest in overseas ministry
- *Merlin schedule for Singapore shows a new 'Project FE', from some ministry called 'PAW', Pentecostal, or Paw Creek, North Carolina
- *Another website accuses Overcomer Ministry of serious sins: <http://prophecy.sinfree.net/stair/stair.html>
- *VOA starts using 19 MHz band, Uzbek via Sri Lanka
- *R. Liberty just starting Chechen service April 3, despite severe Russian opposition
- *First broadcast as monitored in Europe; two of three frequencies already occupied by V. of Russia, and other interference
- *Bombarded by press items from Russia denouncing US broadcasting in Chechen as not objective, infringement on sovereignty, end of RL being allowed to broadcast within Russia? See DXLD 2-053
- *Terrible wideband jamming against V. of Iran clandestine on 15 MHz
- *V. of Islamic Republic of Iran, new English to N. America, Europe
- *Anker Petersen believes Information Radio on 8700-USB is fed from a US base in Saudi Arabia
- *Israel shifts frequency for one English broadcast
- *Other online sources of news from Israel, some including audio: <http://www.jpostradio.com> from Jerusalem Post; right-wing Arutz 7 has <http://www.israelnationalnews.org> and Ha'aretz newspaper in English <http://www.haaretzdaily.com>
- *The Morali sisters are no longer heard on the Voice of Turkey; VOT directors are ignorant. Sisters hope to resume with internet shows; still contact them via ankayra@yahoo.com
- *V. of Greece confirmed on 17 MHz aero band; blocks HF communications in Pacific. Includes English at 0930; It's All Greek to Me confirmed

one hour earlier, with Delano relay

- *The 1125th edition of World of Radio is more than 50% complete.

 website for schedule and years of DXLD: <http://worldofradio.com>
 where you will also find our frequently updated calendar of
 Monitoring Reminders
- *R. Yugoslavia posted schedule effective April 8, leading many to
 believe it will actually resume broadcasting, but could be automatic
 update; English portion
- *R. Romania International, new schedule of English to NAm, Europe
- *R. Ukraine International's wish-list of English frequencies
- *V. of Russia, new schedule, English to North, Latin America
- *R. Polonia cutting back to two domestic transmitters so it can hire
 some abroad; English frequencies with degraded audio still
- *R. Prague, new schedule English to North America and on 21 MHz
- *R. France International, new English schedule
- *Titanic special event ham station, GB90MGY April 13-15; details at
<http://www.gdrs.net/titanic>
- *One QSL received for AFRTS 3903 confirming was from Iceland
- *R. Benin heard closing and opening on 7 MHz off-frequency
- *Salama Radio, for Nigeria, new schedule
- *National Radio, Angola, new 7 MHz off-frequency in English, French
- *20th anniversary of Falkland Islands War; BBC has webpage including
 audio, via <http://www.bbcmundo.com> or specifically
<http://www.bbc.co.uk/spanish/especiales/0203malvinas/>
- *Antarctica's LRA-36 staying on the air an hour later, making a big
 difference in North American reception
- *HCJB ceased live streaming, concentrating on audio ondemand instead
- *First airing of DX Partyline, on retimed 21 MHz service to India
- *Spain's Costa Rica relay revived on new 90mb frequency far from WWCR
- *Democratic Voice of Burma on new frequency listed as Germany, but
 obviously much further away
- *V. of Vietnam on new direct frequency to Europe, encountering heavy
 interference
- *All India Radio, complete new GOS schedule on SW in English
- *Hong Kong's yacht weather specials on 75m this week unconfirmed
- *New MW station in American Samoa about to start, tests not yet heard
- *Steve Anderson, United Patriot Radio, due to be featured on April 13
 America's Most Wanted, Fox network
- *New site <http://www.okcityradio.com> includes report that Clear
 Channel wants to move 1210 from Guymon to OKC and raise power, maybe
 move KTOK newstalk onto it
- *Propagation outlook from Boulder April 2; flux range 210-170-205
- *With a standard disclaimer,
- *Glenn Hauser, concluding World of Radio 1125
